## Funding Announcement

### Caple supports shareholder buy-out at Elmet BV with a fully unsecured 8 year loan

**Caple** has facilitated the shareholder buy-out of Elmet BV with a €700,000 8 year fully-unsecured loan.

Elmet is a fast growing niche B-to-B wholesaler of electrotechnical products. The company offers a diverse assortment of well-known A-Brands used in the Offshore/ Maritime sector, the (Petro) Chemical Industry, Wind Energy, Cabinets & Panel construction and Infrastructure, with industrial related cable ties as a core product. The loan supports a consolidation of the shareholder structure and future growth of the business.

Financieringsgilde Zuid-Holland helped to arrange this funding underpinning the company's long term growth plans.

The unsecured loan facilitated by Caple required no security or personal guarantees, offering flexibility in the structuring of the transaction.

*"With pleasure and great dedication, we worked intensively with all parties involved to arrange the most optimal financing for Elmet B.V. Within the wide range of financiers, Caple's offer for Elmet B.V. proved to be the best solution. This financing solution supports Elmet B.V. to realise their ambitions and facilitates further growth."*

**Bastiaan Breugem, owner Financieringsgilde Zuid-Holland**

---

*"We are proud to be able to support this business as it enters a new phase of growth. The transaction is an example of our ambition to support the further growth and development of successful Dutch SMEs by facilitating these unsecured loans."*

**Michiel Slinkert, Managing Partner, Caple**
